FROM

P. SAMPAT IYENGAR, ESQ,. M.A.,
Director, Mysore Geological Department.

GEN. & REV. SECRETARIAT. 1216 12 AUG. 1927 DEVELOPMENT BRANCH.

To

N. Rama Rao, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Development Departments.

SIR,

I have the honour to submit herewith for the information and orders of Government copies of correspondence with the Comptroller relating to the cutting off of one lascar from the Establishment of this Department in the Budget Estimates for 1927-28. The Comptroller in his letter of 25th April having stated that a lascar was cut off as he was to be transferred to the Gardens Department as per Government Order No.I.C.129-186/A & E.302-25-8, dated 8th July 1926, it was pointed out to him that the Government Order in question contemplated the transfer of the Garden Staff if there was any, and that as there was none no such transfers should be made. In the circumstances explained, the Comptroller was pleased to state that the matter was referred to Government for definite orders. While matters are still at this stage the final budget copy has been received and I see therein that the number of lascars sanctioned for the Department is less by one as in the estimates originally prepared by the Comptroller with the result that the salary of one lascar in the Establishment salary bill for July has been disallowed.

2) As the establishment of the Department had no gardener there is no good reason to transfer one of the menials of this office to the Gardens Establishment. If for the maintaining of the Garden in this office premises, the services of a whole time gardener is necessary, provision for this must be found from other sources and not from the Departmental Budget. It is therefore solicited that Government may be pleased to order the restoration of the lascar now cut off by the Com-

Comptroller in the Budget.

3) There has recently been ordered a retrenchment of two in the number of menials in our Establishment, while on the other hand our needs for menials are increasing from day to day consequent on the varied nature of the programme of our work sanctioned by Government. I therfore propose to make a separate reference in this matter for the orders of Government.

I have the honour to be,

Sir,

Your most obedient servant,

Director,

Mysore Geological Department.

M.R.

Letter No.1399-15, dated 22nd April 1927, from the Director, Mysore Geological Department, to the Comptroller to the Government of His Highness the Maharaja of Mysore.

With reference to the Budget Estimates for 1927-28, forwarded with your No.119/Budget, dated the 9th instant, I have the honour to state that under Establishment only a sum of Rs.13,000/- has been shown as against a requirement of Rs.13,764/-, the details for which were furnished in the Memo of alterations sent with this office No.1399-2, dated 24th February 1927.. ~~The~~ In the pages of Appendix B, for 1927-28, showing the estimate of expenditure on Salaries, Establishment & Allowances, forwarded by you with No.22/Budget, dated 21st February 1927 a sum of Rs.13,428/- was shown against Establishment. Now this has been reduced to Rs.13,000/-, although it was required to be raised to Rs.13,764/- which is just the minimum sum required to meet the demands. It is requested that the matter may kindly be looked into and necessary alterations made.

Copy.

Director,
Mysore Geological Department.

C.N.

Letter No.Budget 81, dated 25th April 1927, from the Com Comptroller to the Government of His Highness the Maharaja of Mysore, to the Director, Mysore Geological Department.

In reply to your letter No.1399-15, dated 22nd April 1927, I have the honour to state that the provision included for next year under 1 Geological Department "Establishment" is Rs.13,632/- as against Rs.13,764/- required by you. The provision of Rupees 13,000/- shown in the copy of the estimates with you may kindly be accordingly altered to Rs.13,632/-. The extra sum of Rs.132/- required by you on account of a Laskar is not allowed as he is to be transferred to the Garden Department as per G.O.No.JC.129-186/A&E. 302-25-8, dated 8th July 1926 and as necessary provision has been made in the Budget of that Department for next year.

Copy.

Director,
Mysore Geological Department.

Letter No.1399-17, dated 28th April 1927, from the Director, Mysore Geological Department, to the Comptroller to the Government of His Highness the Maharaja of Mysore.

With reference to your letter No.Budget 81, dated the 25th instant, stating that a lascar is cut off from the Establishment of this Department for being transferred to the Gardens Department in pursuance of G.O.No.J.C.129-186/A&E.302-25-8, dated 8th July 1926; I have the honour to state that the G.O.in question contemplates the transfer of the Staff, if any, employed in the Department for the maintenance of garden, but does not authorize the transfer of any servant. It will be clear to you from the Government Order sanctioning the menial staff to this Department, that there is no wholetime gardener. Neither is there any garden worth the name. There is a woman employee on Rs.11/-, who is designated Sweeper and who also looks after the watering of the few plants. There is therefore no Garden Staff to be retrenched from this Department and added on to the Garden Department.

While matters stand thus, it is not clear to me how you have cut off a lascar from our Budget. This appears to me to be against the orders of Government referred to and I request you, therefore, to be good enough to restore the sum of Rs.132/- on account of the lascar whose services the Department cannot forego.

Copies of recent correspondence with the Superintendent of the Gardens Department in this matter are forwarded herewith for your information.

Copy.

Director,
Mysore Geological Department.

C.M.

Letter No.2345/Books, dated 4th May 1927, from the Comptroller, Mysore Government, to the Director, Mysore Geological Department.

With reference to your letter No.1399-17, dated 28th April 1927, asking for the retention of the provision of Rs.132/- on account of an employee of your Department for whom provision is now made under the Garden Department as per Government order No.J.C.129-186/A&E.302-25-8, dated 8th July 1926, I have the honour to state that the provision referred to was included under the Gardan Department as per letter No.1597, dated 18th February 1927, from the Superintendent, Government Gardens, furnishing a statement showing details of the existing establishment attached to the New Gardens recently transferred to his control, but under the circumstances explained by you, the matter has been referred to Government for definite orders, on receipt of which, necessary re-transfer of the provision will be effected from the Garden Department to yours, if so directed.

Copy.

Sir,

Adverting to G.O. No. 4233-34/Geol. 22-27-3, dated 31st October 1927, sanctioning the retention of the post of a lascar on Rs.11/- for the rest of the current official year and directing that the cost be met from the provision to be pointed out by me, I have the honour to state that in the absence of a specific order of Government the services of the lascar in question were never dispensed with, the matter having been referred to the Government and his pay for these four months was met from out of Contingencies In the circumstances it is necessary that sanction should be accorded for the retention of the lascar for the whole year. The cost will be met from Contingencies.

The favour of early orders is solicited.

I have the honour to be,

Sir,

Your most obedient servant,

Director,
Mysore Geological Department.

P. SAMPAT IYENGAR, Esq,. M.A.,
Director, Mysore Geological Department.

To

N. Rama Rao, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Development Departments.

Sir,

In reply to your letter No. D. 4231/Geol.22-27-2, dated 31st October 1927, enquiring if a separate gardener is necessary for the Geological Office , I have the honour to state as follows :-

Considering the extent of the vacant space round this office building, the importance of the Race Course Road where it is located and also the surroundings, being opposite to the West End Hotel frequented by visitors, I think it very essential that the whole place should be kept scrupulously tidy and neat with a nice garden laid out in front of the office. For this purpose a separate gardener appears to be quite necessary.

The garden that we had before the transfer of the compound to the Gardens Department was a very shabby one, but that was all that was possible with no separate gardener provided for the work.

I have the honour to be,

Sir,

Your most obedient servant,

P Sampat Iyengar

Director,

Mysore Geological Department.
